

# The Other Side of Mt. Heart Attack

## Liars

I won't run far  
I won't run far  
I won't run far I can always be found  
I can always be found If you need me  
If you need me  
If you need me I can always be found  
I can always be found If you want me to stay  
If you want me to stay  
If you want me to stay  
I will stay by your side  
I will stay by your side  
I will stay by your side I won't run far  
I won't run far  
I won't run far I can always be found  
I will stay by your side  
And I want you to find me  
So, I'll stay by your side If you need me  
If you need me  
If you need me I can always be found  
I can always be found  
I can always be found  
I won't run far  
I won't run far  
I won't run far I can always be found  
I can always be found  
I can always be found
