## The Other Side of Mt. Heart Attack

## Liars

I won't run far I won't run far I won't run farI can always be found I can always be foundIf you need me If you need me If you need meI can always be found I can always be foundIf you want me to stay If you want me to stay If you want me to stay I will stay by your side I will stay by your side I will stay by your sideI won't run far I won't run far I won't run farI can always be found I will stay by your side And I want you to find me So, I'll stay by your sideIf you need me If you need me If you need meI can always be found I can always be found I can always be found I won't run far I won't run far I won't run farI can always be found I can always be found I can always be found
