

# Even After All

## Finley Quaye

Even after all the murdering  
Even after y'all suffering sow (seeds)  
You know I love you so  
You know I love you so and so  
Even after all  
All that you go on... sir  
Is the order of the day  
And all that you believe... sir  
Is the order of this society  
You know I love you so  
You know I love you so and so  
Even after all  
Tis is my manner y'all  
Man just feel satisfied  
No competition, no competition at all  
I just feel satta star  
Them eyes are gorgeous girl  
No demise  
Uprise  
I got to raise it again  
Them eyes are gorgeous  
I must advance  
I don't check for no superficial  
It's got to be beneficial  
These sonic fruits, these sonic fruits... sight  
These sonic fruits  
Got them moving around alright  
Hyper play  
Steppin' and rising  
Even after all the murdering that go on  
Even after all oh no your suffering sow (seeds)  
You know I love you so  
You know I love so and so  
Even after all  
You just survive soldier  
And your soul is beautiful  
And your soul is good
