

# Tell Me Lies (feat. Lesley Roy)

## Deorro

My heart it doesn't know  
What you're doing  
It sees the good in you  
Even when you're using  
Me and all my love  
All for your quick fix  
And make me choose the night  
Make me choose the knife  
Cracks begin to show We're trading on ice  
And almost every noon  
We'll be frozen this time  
Just try and fake a smile  
So they don't see us  
All we're trynna hide  
All we're trynna fight  
Cause he don't matter if it's wrong or right  
He don't matter to see it in your eyes  
Tell me lies  
Cause he don't matter if it's wrong or right  
He don't matter to see it in your eyes Tell me lies! Fairytales every night  
Tell me we can make it right  
Pretend we'll never die  
Pretend we're not telling lies Tell me lies! Fairytales every night  
Tell me we can make it right  
Pretend we'll never die  
Pretend we're not telling lies  
Cause everybody knows  
They all see it  
Cause hearts are hard to hold  
When they're bleeding  
The ship's about to sink  
And we can save us  
It's going down tonight  
Going down this time  
There's something in the stars  
Something missing  
We're better off apart  
Cause i'm not on wishing  
That we can make it right  
Make it feel good  
I'm running out of time  
I'm running out of lies

Cause he don't matter if it's wrong or right  
He don't matter to see it in your eyes Tell me lies  
Cause he don't matter if it's wrong or right  
He don't matter to see it in your eyes Tell me lies! Fairytales every night  
Tell me we can make it right  
Pretend we'll never die  
Pretend we're not telling lies Tell me lies! Fairytales every night  
Tell me we can make it right  
Pretend we'll never die  
Pretend we're not telling lies Give me your little fix a gift  
Give me another night of your  
Tell me we're gonna try again  
Tell me you want me, start kneading  
Give me your little fix a gift  
Give me another night of your  
Tell me you want me, start kneading Tell me lies! Fairytales every night  
Tell me we can make it right  
Pretend we'll never die  
Pretend we're not telling lies Tell me lies! Fairytales every night  
Tell me we can make it right  
Pretend we'll never die  
Pretend we're not telling lies
