

# Please Don't Ask

## Genesis

Oh, please don't ask me how I feel, I feel fine  
Oh, I cry a bit, I don't sleep too good, but I'm fine  
When can I see you?  
When can I touch you?  
Again and again I ask myself, was I wrong?  
Oh, but time's a healer and heaven knows I've been strong  
Maybe we could try  
Oh, maybe we would work this time Oh, I can remember when  
It was easy to say I love you  
But things have changed since then  
Now I really can't say if I still do  
But I can try  
'Cause I know that the kids are well  
Yes, you're a mother to the world  
Oh, but I miss my boy  
I hope he's good as gold But enough of me, tell me, how are you, you look good  
Well you lost some weight, I can see, your hair looks nice, you look good  
Maybe we should try  
But don't say it, 'cause I know why  
But you know, I can remember when  
It was easy to say I love you  
But things have changed since then  
Now I really can't say if I still do  
But I can try  
'Cause I know that the kids are well  
Yes, you're a mother to the world  
Oh, but I miss my boy  
Oh, I hope he's good as gold
