

Broken

12 Stones

Alone again again alone
Patiently waiting by the phone
Hoping that You will call me home
The pain inside my love denied
Hopes and dreams swallowed by pride
Everything I need it lies in You'Cause I'm broken
You know I need You now
Deep inside I'm broken
You see the way I live
I know, know Your heart is broken
When I turn away
I need to be broken
Take the pain away
Yeah I question why You chose to die
When you knew your truth I would deny
You look at me
The tears begin to fall(they fall)
And all in all faith is blind But I fail time after time
Daily in my sin I take Your life'Cause I'm broken
You know I need You now
Deep inside I'm broken
You see the way I live
I know, know Your heart is broken
When I turn away I need to be broken
Take the pain away
Yeah
All the hate deep inside
Slowly covering my eyes
All these things I hide
Away from You again All this fear holding me
My heart is cold and I believe
Nothing's gonna change
Until I'm broken'Cause I'm broken
You know I need You now
Deep inside I'm broken
You see the way I live
I know, know Your heart is broken
When I turn away
I need to be broken
Take the pain away
Yeah
Broken!

Broken!
Broken!
Broken!
