

# Roller

## Yellow Claw

I can be a roller, roller, driving downtown, say ey ey  
Now you can control us, so just sat your ass down, say ey  
We be rollin' round, rollin' round, cruising down the blood way  
Put it down, put it down, put it down  
I can be a roller, roller, driving downtown, say ey ey  
Imma make 'em say ey  
Imma make 'em say ey  
Imma make 'em say ey ey ey ey  
Imma make 'em say ey ey ey ey  
Imma make 'em say ey  
If we do come down, we might as well get high  
Roll it up and shoot it in the sky  
Oooh  
Oooh  
Eh-eh-yeah  
Eh-yeah-eh-eh-eh  
Eh-eh-yeah  
Eh-eh-eh  
Eh-eh-yeah  
Eh-yeah-eh-eh-eh  
Eh-eh-yeah  
Eh-eh-eh  
You can be my roller, roller, hollaback we rock, say ey ey  
They are tryna be us, soldiers put your hands up, say ey ey  
We be rollin' round, [?] the ground, look out at my clique  
Pull the futures up, [?] they can't sit with us  
You can be my roller, roller, hollaback don't make new way  
Imma make 'em say ey ey ey ey  
Imma make 'em say ey ey ey ey  
Imma make 'em say ey  
Imma make 'em say ey  
Imma make 'em say ey  
Imma make 'em say ey
