

Nobody Speak (feat. Run the Jewels)

DJ Shadow

[El-P]
Picture this
I'm a bag of dicks
Put me to your lips
I am sick
I will punch a baby bear in his shit
Give me lip
I'ma send you to the yard, get a stick
Make a switch
I can end a conversation real quick
[Killer Mike]
I am crack
I ain't lyin', kick a lion in his crack
I'm the shit, I will fall off in your crib, take a shit
Pinch your momma on the booty
Kick your dog, fuck your bitch
Fat boy dressed up like he's Santa
And took pictures with your kids[El-P]
We the best
We will cut a frowny face in your chest, little wench
I'm unmentionably fresh, I'm a mensch, get correct
I will walk into a court while erect, screaming "Yes!"
I am guilty, motherfuckers, I am death"
Hey, you wanna hear a good joke?[Refrain]
Nobody speak, nobody get choked
[El-P]
Get running
Start pumping your bunions, I'm coming
I'm the dumbest, who flamethrow your function to Funyuns
Flame your crew quicker than Trump fucks his youngest
Now face the flame, fuckers, your fame and fate's done with[Killer Mike]
I rob Charlie Brown, Peppermint Patty, Linus and Lucy
Put coke in the doobie, roll woolies to smoke with Snoopy
I still remain that dick grabbin' slacker that spit a loogie
'Cause the toter of the toolie'll murder you friggin' Moolies
Fuck outta here, yeah[Refrain]
Nobody speak, nobody get choked, hey
Nobody speak, nobody get choked, hey, hey
Nobody speak
Nobody speak[El-P]
Only facts, I will shoot a
Baby duck if it quacks, with a Luger

Top billin', come cops some villainous shots is boxed, shipped out, and bought, and y'all feeling
it

El-P killin' it, Killer Mike killin' shit[Killer Mike]

What more can I say? We top billin' it

Valiant without villainy

Viciously foul victory

Burn towns and villages

Burning, looting. and pillaging[El-P]

Murderers try to hurt us, we curse them and all their children

I just want the bread and bologna bundles to tuck away

I don't work for free, I am barely giving a fuck away[Killer Mike]

So tell beggin' Johnny and Mommy to get the fuck away

Heyyo here's a gun, son, now run, get it the gutterway

Live to shoot another day[Refrain]

Nobody speak, nobody get choked, hey

Nobody speak, nobody get choked, hey

Nobody speak

Nobody speak

Nobody speak, nobody get choked
