## Piece of Me (Groove Armada Remix)

## MK & Becky Hill

When I look back to before

We were together

There was no pressure

No pain, just pleasure

We were young, you took my breath and

Filled your lungs up

I held my tongue in

Swept up all your poisonYou get high, act like

I need rescuing

You're walking on thin ice

You don't realise

I'm alright tonight, live your life

You can keep that piece of me

I've come through, I'll prove, don't need you

It ain't how it used to be

You lost out, and now I've found

That I don't need that piece of me I've lost(You can keep that piece of me, yeah)Falling into emptiness

I've forgotten my mind

Faithless tears that I cried

I lost my whole life

Everything to live for now

I've shed my old skin

I thought I'd give in

But loving isn't losing

You get high, act like

I need rescuing

You're walking on thin ice

You don't realiseI'm alright tonight, live your life

You can keep that piece of me

I've come through, I'll prove, don't need you

It ain't how it used to be

You lost out, and now I've found

That I don't need that piece of me I've lost(You can keep that piece of me, yeah)
