Love Interruption

Jack White

I want love To roll me over slowly Stick a knife inside me And twist it all aroundI want love to Grab my fingers gently Slam them in a doorway Put my face into the groundI want love to Murder my own mother And take her off to somewhere Like hell or up above I want love to Change my friends to enemies Change my friends to enemies And show me how it's all my faultI won't let love disrupt, corrupt or interrupt me I won't let love disrupt, corrupt or interrupt meYeah I won't let love disrupt, corrupt or interrupt me anymore I want love to Walk right up and bite me Grab a hold of me and fight me Leave me dying on the ground And I want love toSplit my mouth wide open and Cover up my ears And never let me hear a sound I want love to Forget that you offended me Or how you have defended me When everybody tore me down Yeah I want love to Change my friends to enemies Change my friends to enemies And show me how it's all my fault Yeah I wont let love disrupt, corrupt or interrupt me I won't let love disrupt, corrupt or interrupt me I won't let love disrupt, corrupt, or interrupt me anymore
