

Everything

Alanis Morissette

I can be an asshole of the grandest kind
I can withhold like it's going out of style
I have the bravest heart that you've ever seen and you've never met anyone
As positive as I am sometimes You see everything, you see every part
You see all my light and you love my dark
You dig everything of which I'm ashamed
There's not anything to which you can't relate and you're still here I blame everyone else, not my
own partaking
My passive-aggressiveness can be devastating
I'm the most gorgeous woman that you ever known and you've never met anyone
As everything as I am sometimes
You see everything, you see every part
You see all my light and you love my dark
You dig everything of which I'm ashamed
There's not anything to which you can't relate
And You're Still Here What I resist, persists and speaks
Louder than I know
What I resist, you love, no matter
How low or high I go
You see everything, you see every part
You see all my light and you love my dark
You dig everything of which I'm ashamed
There's not anything to which you can't relate
And you're still here
And you're still here
And you're still here
