

# Everything

Alanis Morissette

I can be an asshole of the grandest kind  
I can withhold like it's going out of style  
I have the bravest heart that you've ever seen and you've never met anyone  
As positive as I am sometimes You see everything, you see every part  
You see all my light and you love my dark  
You dig everything of which I'm ashamed  
There's not anything to which you can't relate and you're still here I blame everyone else, not my  
own partaking  
My passive-aggressiveness can be devastating  
I'm the most gorgeous woman that you ever known and you've never met anyone  
As everything as I am sometimes  
You see everything, you see every part  
You see all my light and you love my dark  
You dig everything of which I'm ashamed  
There's not anything to which you can't relate  
And You're Still Here What I resist, persists and speaks  
Louder than I know  
What I resist, you love, no matter  
How low or high I go  
You see everything, you see every part  
You see all my light and you love my dark  
You dig everything of which I'm ashamed  
There's not anything to which you can't relate  
And you're still here  
And you're still here  
And you're still here
