

# Broke (feat. JID)

## Ari Lennox

[Intro: Ari Lennox]

Ayy, ayy, ayy, woo, uh, ooh  
Keep thing, cheap thing, cheap thing  
Cute thing, fine thing, pink frame, back then  
Lookin' real good, you know I been too young  
That's fine, we been vibin'  
Cruisin', ridin' through Raleigh  
Take a trip on AmTrak, we ain't got no money [Chorus: Ari Lennox]  
I been low before

Yeah, you know I been low before (Woo)  
I'll bring gloves, you bring the smoke  
It's a dove right in your look  
I been low before (Woo)  
Yeah, you know I been low before  
I'll bring gloves, you bring the smoke  
It's a dove right in your look

[Post-Chorus: Ari Lennox]

Broke thing, broke thing, it's a [?] thing  
Brown skin, it's a [?] thing, Chiddy Bang  
Wanna angle with my boo, I'll call your name  
Baby, I need you, yeah  
Baby, I need you, yeah [Chorus: Ari Lennox]  
I been low before

Yeah, you know I been low before (Woo)  
I'll bring gloves, you bring the smoke  
It's a dove right in your look, it's  
I been low before (Woo)  
Yeah, you know I been low before  
I'll bring gloves, you bring the smoke  
It's a dove right in your look

[Verse: J.I.D]

I don't know how many times I say it  
Broke boy, bang bang, ain't got no bread  
They ain't got no cheese  
I been tryna fertilize your eggs, moisturize your head, supervise the kids  
Baby, won't you tell me what's important to you  
It ain't really all about money to me  
Chillin' if you tryna find something to do  
Sittin' there lookin' like somethin to eat  
I been broke and you been broke, your heart been broke  
And I'm still broke and breakin' down weed  
I been hopin', you been hopeless, help me, please

Heaven, notice me in minor focus  
Somebody show me the rope or dope  
So I can dodge the demons tryna choke my throat  
Her last man was litty, he had loads of dough  
He was taller, older, I'm like Amendola height  
Trips left, open right, call me over on a motion  
I'm on your side, they ain't trippin'  
I'm finna triple up and mobilize, survive, remote, remorse  
I grab the wheel and rode to death  
I ride to die, I make you life and take your life  
I fuck a chick, I killed a guy  
I spilled the beans and threw the rice  
A knight in shining armor, fight and give me the knife and slice[Pre-Chorus: J.I.D]  
It's for my boo thing, my new thing, new flame, butane  
Nipple ring, coochie ring, lick 'em both, do my thing  
Pick her soul, down your throat, holy water, take a gulp  
Let me drive the boat  
Nah, woah, yeah, row[Chorus: Ari Lennox]  
I been low before  
Yeah, you know I been low before (Hey)  
I'll bring gloves, you bring the smoke  
It's a dove right in your look, it's  
I been low before  
Yeah, you know I been low before  
I'll bring gloves, you bring the smoke  
It's a dove right in your look[Post-Chorus: Ari Lennox]  
Broke thing, broke thing, it's a [?] thing  
Brown skin, it's a [?] thing, Chiddy Bang  
Wanna angle with my boo, I'll call your name  
Baby, I need you, yeah  
Baby, I need you, yeah[Outro: Ari Lennox]  
It's alright, it's alright, it's alright, it's alright  
It's alright
