To Love Somebody

Bee Gees

There's a light, a certain kind of light That never shone on me I want my life to be Lived with you, lived with you There's a way, everybody say To do each and every little thing But what does it bring If I ain't got you, ain't got youBaby, you don't know what it's like Baby, you don't know what it's like To love somebody To love somebody The way I love you

In my brain I see your face again I know my frame of mind You ain't got to be so blind And I'm blind, so, so, so very blind I'm a man, can't you see what I am? I live and I breathe for you But what good does it dolf I ain't got you, ain't got you Baby, you don't know what it's like Baby, you don't know what it's like To love somebody To love somebodyThe way I love you Oh no, you don't know what it's like Baby, you don't know what it's like To love somebody To love somebody The way I love you No, no, no no, no, you don't know what it's like You don't know what it's like You don't know what it's like To love somebody Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
