Make me feel like and grind it, grind it
Every girl, I know say you dey eye me, eye me
After the show na the party for my room
Strictly for me and you, you
We get plenty things to do, do
So pull off the bump... and move, make we groove Boy, you know say talk is cheap and you are
tempted to roll with me
Me, I no be the bizzy body wey you see

What a man can do, a woman can do so(Repeat)Na the way you dey do me, do me
You go wound oh, you go wound oh, my baby
Na the way you dey do me, do me
You go wound oh, you go wound ohFrom the way you do the things you do
Ebe like say you get plans for me and you
Me, I no be the bizzy body wey you see
What a man can do, a woman can do so
Repeat till fade
Na the way you dey do me, do me
You go wound oh, you go wound oh, my baby
Na the way you dey do me, do me
You go wound oh, you go wound oh
