## Rescue

## **Lauren Daigle**

You are not hidden
There's never been a moment
You were forgotten
You are not hopeless
Though you have been broken

Your innocence stolenI hear you whisper underneath your breath I hear your SOS, your SOSI will send out an army to find you

In the middle of the darkest night

It's true, I will rescue you
There is no distance
That cannot be covered
Over and over
You're not defenseless

I'll be your shelter

I'll be your armorI hear you whisper underneath your breath I hear your SOS, your SOSI will send out an army to find you In the middle of the darkest night

It's true, I will rescue youI will never stop marching to reach you In the middle of the hardest fight

It's true, I will rescue youI hear the whisper underneath your breath
I hear you whisper, you have nothing left

I will send out an army to find you In the middle of the darkest night

It's true, I will rescue youI will never stop marching to reach you
In the middle of the hardest fight

It's true, I will rescue youOh, I will rescue you Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
