

# Dreams Burn Down

## Ride

Lying under sky  
Laughing at everything I say  
And pulls me under  
There's no time to resist Lying on the floor  
The tears are falling down and more  
Her eyes speak loud  
But actions speak the best Waiting, hoping for a sign  
That what's forbidden can be mine  
I just want what I can't have  
'Til my dreams burn down and choke me every time  
She's effortlessly cool  
But circumstances can be cruel  
And sometimes you must accept  
That you can't always get what you want  
We fill up our days and nights  
We fill up the gaps in our empty little lives  
But we know (that) we are doomed  
The moment we walk out the room  
Waiting, hoping for a sign  
That what's forbidden can be mine  
I just want what I can't have  
'Til my dreams burn down and choke me every time
