

Goden

Winter

Unopened eyes revealing fear and anguish
Told of untrue myth Viewing apparitions in unsightly [unsaintly] ways
Need not hunger for the feast ablaze Search across barren land
Inhibitions of solitude for the rising hand Perpetual dreams
Deafening screams Dreams and knowledge perishing to
A nonexistent existing state
Viewing apparitions in unsightly [unsaintly] ways
Need not hunger for the feast ablaze Seeking ways of human torment
False beliefs
Beliefs in hate Perpetual dreams
Deafening screams Goden
Hear the piercing cries
Of the Fourth Horseman in the wind Goden
Unleashed by the angels
From the four corners of the earth Not foreseen [never seen] is a rising apocalypse
Through the dust of the Elders
Left for their wrath [the wrath]
Eternal tears
Rising sun [son]
