

OMG (feat. Snoop Dogg)

Arash

Oh My God
Oh My God
Oh My God Club is packed, I rap the rap
Ladies are in here from front to back And They love my soul, I reply
Baby girl, don't you know that I am the fire? Hands in the sky, don't X-Y
Hotty on down with a big bound one
I got style, got flame
Got you right there, got enough stock to make you do that dance So come on, come all
Just havin' a ball Be Aware of the owner cause the owner's a Dogg! I got y'all back off the wall
..Just let me know know know
I like the way that you talk, I like the way that you walk
Crash! Boom! Bang! You're so beautiful
Wait till we kiss, give me your lips
Crash! Boom! Bang! You're so beautiful
I'm gonna make you say "Oh My God" Wow! Oh My God
