

# Touch Me (I Want Your Body)

Samantha Fox

Ahh, touch me!  
(This is the night)  
Ahh, touch me!  
I wanna feel your body Full moon in the city  
And the night was young  
I was hungry for love I was hungry for fun  
I was hunting you down  
And I was the bait  
When I saw you there I didn't mean to hesitate  
This is the night  
This is the night  
This is the time  
We've got to get it right  
(This is the night) Touch me, touch me  
I wanna feel your body  
Your heart beat next to mine (This is the night)  
Touch me, touch me now Quick as a flash You disappeared into the night  
Did I hurt you, boy?  
Didn't I treat you right?  
You made me feel so good Made me feel myself  
Now I'm alone  
And you're with somebody else  
This is the night, yeah  
This is the night  
This is the time  
We've got to get it right  
(This is the night) Touch me, touch me  
I wanna feel your body  
Your heart beat next to mine  
(This is the night) Touch me, touch me now  
Touch me, touch me now  
Touch me, touch me now Hot and cold emotions  
Confusing my brain  
I could not decide  
Between pleasure and pain Like a tramp in the night I was begging for you  
To treat my body  
Like you wanted to  
I was begging for you  
(This is the night)  
Touch me, touch me I wanna feel your body  
Your heart beat next to mine  
(This is the night)

'Cos I want your body all the time!(This is the night)

Touch me, touch me

I wanna feel your body

Your heart beat next to mine

(This is the night)

'Cos I want your body all the time!

Ahh, touch me, touch me, touch me

(This is the night)

Touch me, touch me

I wanna feel your body

(This is the night)

Touch me, touch me, touch me

(This is the night)

Ahh, touch me, touch me

I wanna feel your body

(This is the night)

Touch me, touch me, touch me

(This is the night)

Touch me, touch me, touch me
