

# So Impossible

Keyshia Cole

It ended how it ended,  
I'm not really trippin', I won't pay attention,  
To the lies you had given wasn't really in it  
The way that you should have been,  
And I guess you know I so moved on, once again took a chance to try,  
But my heart's still beating... for love.(See my heart) my heart just wouldn't let me walk away,  
(And I knew) I knew if you didn't leave I would have stayed,  
(Every day) I couldn't keep pretending everything was ok, (no more hurt)  
I don't wish no hurt the way that you hurt me,  
There ain't no easy way to let it slip away,  
but it was a bitter sweet goodbye.  
Cause honestly baby everything was wrong  
But you were too caught up to ever notice on your own.  
I made you not love me,  
So that I could leave, I did things to make you change your mind... about me,  
we were no good for each other, just thinking how I changed things,  
'Cause me leaving you was so impossible.It is what it is,  
we're just not meant to be  
I'm not meant for you and you're not meant for me,  
No, ain't no need for us to deny,  
What we had was so gone,  
'Cause my heart's still beating... for love.(See my heart), see my heart just wouldn't let me walk  
away,  
(And I knew,) 'cause I knew if you didn't leave... I would have stayed,  
(Every day) I couldn't keep pretending everything was Ok, (no more hurt)  
I Still don't wish no hurt the way that you hurt me,  
There ain't no easy way to watch him slip away, girl  
'Cause it's like a bitter sweet I know.  
But honestly yeah, look at me, see it's all right,  
You just don't be too caught up to take a notice of your own.  
I made you not love me,  
So that I could leave, I did things to make you change your mind... about me,  
we were no good for each other just thinking how I change things,  
'Cause me leaving you was so impossible.But I wouldn't let it, let the impossible,  
Hold me back from moving on with my life  
Although it was so hard for me,  
To just leave you alone.It ended how it ended,  
I'm not really trippin', I won't pay attention...  
But my heart's still beating...So, there is no way there could ever be us again  
I gave you, I gave you, I gave you way too much of me  
and It's time I see that it wasn't meant for me,  
But It is soooooo impossible, yeahh
