If You Tolerate This Your Children Will Be Next

Manic Street Preachers

The future teaches you to be alone The present to be afraid and cold So if I can shoot rabbits Then I can shoot fascistsBullets for your brain today But we'll forget it all again Monuments put from pen to paper Turns me into a gutless wonderAnd if you tolerate this Then your children will be next And if you tolerate this Then your children will be next Will be next Will be next Will be next Gravity keeps my head down Or is it maybe shame At being so young and being so vainHoles in your head today But I'm a pacifist I've walked La Ramblas But not with real intentAnd if you tolerate this Then your children will be next And if you tolerate this Then your children will be next Will be next Will be next Will be next Will be nextAnd on the street tonight an old man plays With newspaper cuttings of his glory days And if you tolerate this Then your children will be next And if you tolerate this Then your children will be next Will be next Will be next Will be next
