

# Crying in the Chapel (feat. Menahan Street Band)

Charles Bradley

Featuring Menahan Street Band  
Oh baby I'm crying in the chapel, baby  
You stole my love, darling  
You build me up and now you found somebody All alone  
You told me it was mine  
All mine  
Uh, oh man  
I'm crying in the chapel, baby  
You stole my love, darling I ain't never, never think you'd ever leave me baby  
I made up my mind  
I was gonna love you baby  
Til the end of time  
I was gonna love you again All alone  
You told me baby it was mine  
All mine  
All mine No no no no baby  
Please I'm crying in the chapel, baby  
You stole my love, darling  
I'm crying my last tear baby  
You stole my love  
And you can't get it back  
No more  
It's my time to love  
Again  
It's my time to feel love  
And get loved  
Not with you... baby  
Oh! Uh, baby  
I wish you darling  
You got me
