

# Hope for Happiness

## Soft Machine

I can tell...  
I can tell by the ring of a bell  
A chime that is clear and true  
But if it's cracked, the sound is flat  
Like happiness that's untrue  
Out of the East, the sun flew West  
Trailing its golden spray  
My heart burns, when fortune turns  
The trail to light my way  
Days go by, I watch the sky  
My eyes forever quest  
The sun returns, though my hope yearns  
Forever things point the rest  
Sun heart burns  
Moon glow turns  
Stars will trade  
Hope for happiness  
Hope for happiness  
Hope for happiness, happiness, happiness  
Flowers grow wild, just for the child  
Sniff this sprinkling bloom  
When you grow up, hope colours up  
The things that cause us gloom  
Tell can you now how fun is made?  
It's how happiness is really found  
Look for advice, be told more than twice  
By people all around  
Sun heart burns  
Moon glow turns  
Stars will trade  
Hope for happiness  
Hope for happiness  
Hope for happiness, happiness, happiness
