## Wind It Up

## **Barenaked Ladies**

Stop, drop and roll and I'll tell you where I'm coming from.

You've done a lot of yelling pointed at my eardrum.

I'll offer all of me that you can lay your eyes on.

I'll get right back to you once I get my disguise on. Hearts on fire you'll learn

End up with heartburn

Wind me up, my dear.

Had it up to here.

Wind it up.

I can't believe that you'd believe that I would fake it.

Wait, 'less you count the things I said when we were naked.

Run, run away from everything we'd ever hoped for.

I can't believe that this is what people elope for. Throw your sticks and stones

Throw your mobile phone

Wind me up, my dear.

Had it up to here.

Wind it up.If you are leaving then I wish you luck

I hope someone can make your heart warm

I was a baby when I learnt to suck

But you have raised it to an art form.

Yes I'm out of line

You're out of your mind

Wind me up, my dear.

Had it up to here.

Wind me up, my dear.

Had it up to here.

Wind it up.
