

# Shape of My Heart

## Backstreet Boys

    Hmm, yeah, yeah  
    Baby, please try to forgive me  
    Stay here, don't put out the glow  
    Hold me now don't bother if every minute it makes me weaker  
You can save me from the man that I've become, oh yeah. Lookin' back on the things I've done  
    I was tryin' to be someone  
    I played my part, and kept you in the dark  
Now let me show you the shape of my heart Sadness is beautiful, loneliness is tragical  
    So help me I can't win this war, oh no  
    Touch me now don't bother if every second it makes me weaker  
    You can save me from the man I've become  
    Lookin' back on the things I've done  
    I was tryin' to be someone  
    I played my part, and kept you in the dark  
Now let me show you the shape of my heart I'm here with my confession  
    Got nothing to hide no more  
    I don't know where to start  
But to show you the shape of my heart I'm lookin' back on things I've done  
    I never wanna play the same old part  
    I'll keep you in the dark  
Now let me show you the shape of my heart Lookin' back on the things I've done  
    I was tryin' to be someone  
    I played my part, and kept you in the dark  
Now let me show you the shape of my heart  
    Lookin' back on the things I've done  
    I was tryin' to be someone  
    I played my part, and kept you in the dark  
    Now let me show you the shape of  
    Show you the shape of my heart
