

Supremacy of Self

Hatebreed

SOME WARS MUST BE FOUGHT ALONE! AM I! The only one standing in my way,
AM I! My own merciless enemy,
CAN I! Stand back looking deep into god's case,
CAN I! Turn and face myself on the knowledge of what couldn't be. To look into my heart was
to look into hell! Into hell
Controlled by the voice of fear, I was completely overwhelmed,
So concerned with the things I could never change,
Now I must insure to never fulfill that prophecy.
I MUST ATTAIN
SUPREMACY! Of Mind
SUPREMACY! Of Body
SUPREMACY! Of Spirit
SUPREMACY! Of Self! The war you want is the war I'm willing to give,
Farewell to all the disbelief suspended in the depths,
To look into my heart was to look into hell! Into hell
Controlled by the voice of fear I was completely overwhelmed,
So concerned with the things I could never change,
Now I must insure to never fulfill that prophecy,
I MUST ATTAIN
SUPREMACY! Of Mind,
SUPREMACY! Of Body,
SUPREMACY! Of Spirit,
SUPREMACY! Of Self! SUPREMACY OF SELF! (x3)
This war will be won alone!
