How Do I Live

LeAnn Rimes

How do I get through one night without you? If I had to live without you What kind of life would that be? Oh, I, I need you in my arms, need you to hold You're my world, my heart, my soul and if you ever leave Baby you would take away everything good in my life And tell me now How do I live without you? I want to know How do I breathe without you if you ever go? How do I ever, ever survive? How do I, how do I, oh, how do I live? Without you there'd be no sun in my sky There would be no love in my life There'd be no world left for me And I, baby, I don't know what I would doI'd be lost if I lost you, if you ever leaveBaby, you would take away everything real in my life And tell me now How do I live without you? I want to know How do I breathe without you if you ever go? How do I ever, ever survive? How do I, how do I, oh, how do I live? Please, tell me, babyHow do I go on if you ever leave? Baby, you would take away everything, I need you with me Baby, don't you know that you're everything good in my life? And tell me now How do I live without you? I want to know How do I breathe without you if you ever go How do I ever, ever survive? How do I, how do I, oh, how do I live? How do I live without you? How do I live without you, baby? How do I live?
