

# Wild Wild Son (feat. Sam Martin) [Fatum Remix]

Armin van Buuren

Hello son, you're ready  
To come into the end?  
We can't wait to hold you and rock you to sleep in your rocking chair  
Before you know it, you'll be standing  
Crashing 'round the house like bandits, all day  
You can't get in to too much trouble  
Nothing's gonna stop me from loving you always  
My wild, wild son, run free  
Ooh, you'll know it when you're where you're supposed to be  
Ooh, my wild, wild son, run free  
Oooh, you'll know it when you're living out your dream  
Someday when you leave the house  
And the open road calls  
Just know your heart won't lie to you  
If you learn to listen close  
When you meet your queen, go get her  
Make sure that she knows you'll love her always  
'Fore you know it, your own child's standing  
You can crash around with them like bandits all day  
My wild, wild son, run free (run free)  
Ooh, you'll know it when you're where you're supposed to be  
Ooh, my wild, wild son, run free  
Oooh, you'll know it when you're living out your dream  
Ooh, my wild, wild son, run free  
Oooh, you'll know it when you're living out your dream  
Ooooh...
