## Like a Child

## Noel

Hey girl, you got me walking in the dark I've got a feeling that my heart is just your game 'Cause you and I, we were so happy at the start But you've been playing much to hard for me to takeChorus: How could you lie to me Your actions don't vouch for what you say I'm just like a child at play and your love's a toy you tried to take away from me Like a child at play (4x)It's hard to say the things I feel for you today But now I know my heart will never be the same Girl I'm no toy for you to play with everyday I'll show you just the kind of game I like to play Chorus (1x) Stop you can't lie to me anymore (4x) No, no, no, no more lies (4x) Like a child at play (8x)
