

The Man You Love

Il Divo

Si me ves hallaras en mis ojos el amor
Eres tu la mitad que a mi vida completo
Lo que soy te dare sin miedo a algun error
Creo en ti y dejare en tus manos mi ilusion
Quiero estar dentro de tu corazon
Poder lograr que me ames como yo I only wanna be the man
To give you everything I can
Every day and every night
Love you for all my life I don't wanna change the world
As long as you're my girl
It's more than enough
Just to be the man you love
Quiero ser el lugar donde puedas refugiarte
El temor y calmar en mis brazos tu ansiedad
Desde hoy voy a ser todo para ti
Hasta ayer te soñe y ahora estas aquí
Quiero oír tus secretos, lo que sueñes descubrir
Quiero amarte así I only wanna be the man
To give you everything I can
Every day and every night
Love you for all my life I don't wanna change the world
As long as you're my girl
It's more than enough
Just to be the man you love
I only wanna be the man
To give you everything I can
Every day and every night
Love you for all my life
I don't wanna change the world
As long as you're my girl
It's more than enough
Just to be the man you love
Just to be the man you love
