Asleep

The Smiths

```
Sing me to sleep
                         Sing me to sleep
                          I'm tired and I
               I want to go to bedSing me to sleep
                         Sing me to sleep
                     And then leave me alone
               Don't try to wake me in the morning
                       'Cause I will be gone
                      Don't feel bad for me
                       I want you to know
Deep in the cell of my heartI will feel so glad to goSing me to sleep
             Sing me to sleepI don't want to wake up
                      On my own anymore
                            Sing to me
                            Sing to me
                     I don't want to wake up
                      On my own anymore
                      Don't feel bad for me
                       I want you to know
                   Deep in the cell of my heart
                        I really want to go
                      There is another world
                      There is a better world
                       Well, there must be
                       Well, there must be
                       Well, there must be
                       Well, there must be
                             Well ...
                             Bye bye
                             Bye bye
                             Bye ...
