

# Masterpiece

Omi & Felix Jaehn

I know you don't like the sound of your laugh  
I know you take a hundred photographs  
You post 'em on your wall  
You don't know I love 'em all, do ya?  
I know you don't know You looking good in every angle  
Shine like the stars in Venga  
You got my heart saying damn girl  
Damn girl 'Cause every time I look at you I'm looking at a masterpiece  
If you're trying to be perfect you don't have to be  
Put your body on my body and I'll tell you honestly  
When I look at you I'm looking at a masterpiece When I look at you I'm looking at a masterpiece  
I know, I know you're hiding all your scars  
But those imperfections made you a work of art  
Let me frame you up in gold, move like Michelangelo  
Beautiful work you are You looking good in every angle  
Shine like the stars in Venga  
You got my heart saying damn girl  
Damn girl 'Cause every time I look at you I'm looking at a masterpiece  
If you're trying to be perfect you don't have to be  
Put your body on my body and I'll tell you honestly  
When I look at you I'm looking at a masterpiece When I look at you I'm looking at a  
masterpiece Guess what I'm tryin' to say?  
Yes, baby, you're priceless, you're priceless  
You are  
And you can't locked it away  
But you can't hide it  
No, no  
'Cause every time I look at you I'm looking at a masterpiece  
If you're trying to be perfect you don't have to be  
Put your body on my body  
And I tell you honestly  
When I look at you I'm looking at a masterpiece When I look at you I'm looking at a masterpiece
