

Baby, I Love Your Way

Big Mountain

Oh baby I love your way everyday,
Everyday... yeah... yeah
Oh baby I love your way, everyday
Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city* But don't hesitate
Cause your love won't wait
Ooh baby I love your way, everyday
I wanna tell you I love your way, everyday
I wanna be with you night and day
The moon appears to shy and light the sky
With the help of some fire fire
I wonder how they have the power to shine
Shine, shine, shine
Well I can see them under the pine
(Repeat *)Ooh baby, oh baby please
Everyday... yeah... yeah
I can see the sunset in your eyes
Brown and grey, and blue besides
Clouds are stalking island in the sun
I wish I could be one, out of the season
(Repeat *)
