

Falling Down

Lil Peep & XXXTENTACION

'Ko, let's watch the rain as it's falling down
Now let's do this one for Peep
Sunlight on your skin when I'm not around
Shit don't feel the same when you're out of town
So 'Ko, let's watch the rain as it's falling down, yeah 'Ko, let's watch the rain as it's falling down
(falling down)
Sunlight on your skin when I'm not around (I'm not around)
Shit don't feel the same when you're out of town (out of town)
O-o-oh, o-oh, o-oh
So 'Ko, let's watch the rain as it's falling down
O-o-oh, o-oh, o-oh Rain keeps falling, tears keep falling
Rain keeps falling, tears keep falling
Darling, your love is like walking a bed of nails
And I just can't keep on fighting
O-o-oh
'Ko, let's watch the rain as it's falling down (falling down)
O-o-oh, o-oh, o-oh
Sunlight on your skin when I'm not around (I'm not around)
O-o-oh, o-oh, o-oh
Shit don't feel the same when you're out of town
O-o-oh, o-oh, o-oh
So 'Ko, let's watch the rain as it's falling down
O-o-oh, o-oh, o-oh His name will live, bro'
No, I got—, I feel hella shitty because it's like, yo
Like, if I would have known he was so cool
And it's like, yo,
if I would have watched interviews sooner, bro, we were so alike
It's unfortunate because it's like, yo,
when people die, that's when you're there, you know?
'Cause your remorse kinda makes you check 'em out
Darling, your love is like walking a bed of nails
And I just can't keep on fighting 'Ko, let's watch the rain as it's falling down (falling down)
O-o-oh, o-oh, o-oh
Sunlight on your skin when I'm not around (I'm not around)
O-o-oh, o-oh, o-oh
Shit don't feel the same when you're out of town (out of town)
O-o-oh, o-oh, o-oh
'Ko, let's watch the rain as it's falling down
O-o-oh, o-oh, o-oh
