Play My Music

Jonas Brothers

Turn on that radio As loud as it can go Wanna dance until my feet can't feel the ground (feel the ground) Say goodbye to all my fears One good song, they disappear And nothing in the world can bring me down (bring me down)Hand clapping, hip shaking Heart breaking, there's no faking What you feel, when you're right at home, yeah (yeah)Music's in my soul I can hear it every day and every night It's the one thing on my mind Music's got control And I'm never letting go, no, no I just want to play my music (woo, music) Got my six string on my back Don't need anything but that Everything I want is here with me (here with me) So forget that fancy car I don't need to go that far What's driving me is following my dreams, yeah (yeah)Hand clapping. earth shaking Heart breaking, there's no faking What you feel, when you're on a roll, yeah (yeah)Music's in my soul I can hear it every day and every night It's the one thing on my mind Music's got control And I'm never letting go, no, no I just want to play my music I just want to play my music Can't imagine what it'd be like (what it'd be like) Without the sounds of all my heroes Singing all my favorite songs So I can sing alongMusic's in my soul I can hear it every day and every night It's the one thing on my mind Music's got control And I'm never letting go, no, no I just want to play my musicMusic's in my soul I can hear it every day and every night It's the one thing on my mind Music's got control And I'm never letting go, no, no I just want to play my music all night long (yeah)
