Play My Music

Jonas Brothers

Turn on that radio

As loud as it can go

Wanna dance until my feet can't feel the ground (feel the ground)

Say goodbye to all my fears

One good song, they disappear

And nothing in the world can bring me down (bring me down)Hand clapping, hip shaking

Heart breaking, there's no faking

What you feel, when you're right at home, yeah (yeah)Music's in my soul

I can hear it every day and every night

It's the one thing on my mind

Music's got control

And I'm never letting go, no, no

I just want to play my music (woo, music)

Got my six string on my back

Don't need anything but that

Everything I want is here with me (here with me)

So forget that fancy car

I don't need to go that far

What's driving me is following my dreams, yeah (yeah)Hand clapping. earth shaking

Heart breaking, there's no faking

What you feel, when you're on a roll, yeah (yeah)Music's in my soul

I can hear it every day and every night

It's the one thing on my mind

Music's got control

And I'm never letting go, no, no

T: 4 1

I just want to play my music

I just want to play my music

Can't imagine what it'd be like (what it'd be like)

Without the sounds of all my heroes

Singing all my favorite songs

So I can sing alongMusic's in my soul

I can hear it every day and every night

It's the one thing on my mind

Music's got control

And I'm never letting go, no, no

I just want to play my musicMusic's in my soul

I can hear it every day and every night

It's the one thing on my mind

Music's got control

And I'm never letting go, no, no

I just want to play my music all night long (yeah)
