

Smile (Acoustic Version)

Uncle Kracker

You're better than the best
I'm lucky just to linger in your light
Cooler than the flip side of my pillow, that's right Completely unaware
Nothing can compare to where you send me
Let's me know that it's ok, yeah it's ok And the moments when my good times start to fade You
make me smile like the sun
Fall out of bed, sing like a bird
Dizzy in my head, spin like a record
Crazy on a Sunday night
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild
Oh, you make me smile
Even when you're gone, somehow you come along
Just like a flower poking through the sidewalk crack And just like that
You steal away the rain & just like that You make me smile like the sun
Fall out of bed, sing like bird
Dizzy in my head, spin like a record
Crazy on a Sunday night
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild
Oh, you make me smile Don't know how I lived without you
'Cause everytime that I get around you
I see the best of me inside your eyes
You make me smile
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild You make me smile like the sun
Fall out of bed, sing like a bird
Dizzy in my head, spin like a record
Crazy on a Sunday night
You make me dance like a fool
Forget how to breathe
Shine like gold, buzz like a bee
Just the thought of you can drive me wild
Oh, you make me smile
