

# I'm Not Your Toy

La Roux

Love, love is like a stubborn youth  
That you'd rather just deny  
I'm walking on a broken roof  
While I'm looking at the sky It's all false love and affection  
You don't want me  
You just like the attention  
Yes it's all false love and affection  
You don't like me  
You just want the attention I'm not your toy  
This isn't another girl meets boy  
I'm not your toy  
This isn't another girl meets boy  
Love, love hides in a smoky light  
I can never find the truth  
Boy, your touches leave me mystified  
I wish I could believe in you Yes it's all false love and affection  
You don't want me  
You just like the attention  
Yes it's all false love and affection  
You don't like me  
You just want the attention I'm not your toy  
This isn't another girl meets boy  
I'm not your toy  
This isn't another girl meets boy  
I'm not your toy  
This isn't another girl meets boy  
I'm not your toy  
This isn't another girl meets boy  
It's all false love and affection  
You don't want me  
You just like the attention  
Yes it's all false love and affection  
You don't like me  
You just want the attention I'm not your toy  
This isn't another girl meets boy  
I'm not your toy  
This isn't another girl meets boy  
I'm not your toy  
This isn't another girl meets boy  
I'm not your toy  
This isn't another girl meets boy
