## **Fade to Black**

## **Metallica**

Life, it seems, will fade away Drifting further, every day Getting lost within myself Nothing matters, no one elseI have lost the will to live Simply nothing more to give There is nothing more for me Need the end to set me freeThings not what they used to be Missing one inside of me Deathly loss, this can't be real I cannot stand this hell I feelEmptiness is filling me To the point of agony Growing darkness, taking dawn I was me, but now he's gone No one but me Can save myself But it's too late Now I can't think Think why I should even try Yesterday seems as though It never existed Death greets me warm Now I will just say goodbye Bye...
