

# Be Mean

## DNCE

They say you like the torture honey  
But don't forget the whip  
My left hand's getting loose  
But don't let me slip  
You say you got some handcuffs  
We'll throw out the key  
I don't need a safe word  
You ain't gotta save melf pain's what you like  
Torture me all nightburnin'  
Love how you keep me hurting  
So ooh-ooh be mean, be mean to me  
Be mean to me  
With that body, you got the right to get naughty  
So ooh-ooh be mean, be mean to me  
Be mean to me  
Would you pay them bills  
Some brand new positions  
Someone's gotta [?] be meanwhisper  
She wanna hear me scream  
Lookin' so smokin'  
Honey I can hardly breatheIf pain's what you like  
Torture me all nightburnin'  
Love how you keep me hurting  
So ooh-ooh be mean, be mean to me  
Be mean to me  
With that body, you got the right to get naughty  
So ooh-ooh be mean, be mean to me  
Be mean to me  
Would you promise that you'll always be mean, be mean to me?  
Would you promise that you'll always be mean, be mean to me?Got that arctic poison from  
your lips  
Touch you with my burned out fingertips  
I could learn to love, I must commit  
If you want, then I'll submit  
If you want, then I'll submitburnin'  
Love how you keep me hurting  
So ooh-ooh be mean, be mean to me  
Be mean to me  
With that body, you got the right to get naughty  
So ooh-ooh be mean, be mean to me  
Be mean to meWould you promise that you'll always be mean, be mean to me?  
Would you promise that you'll always be mean, be mean to me?
