

Leather and Lace (with Don Henley) [Remaster]

Stevie Nicks

Written by stevie nicks.is love so fragile...
and the heart so hollow
shatter with words...
impossible to follow
you're saying i'm fragile... i try not to be
i search only... for something i can't see
I have my own life... and i am stronger
than you know
but i carry this feeling
when you walked into my house
that you won't be walking out the door
still i carry this feeling
when you walked into my house
that you won't be walking out the door
Lovers forever... face to face
my city or mountains
stay with me stay
i need you to love me
i need you today
give to me your leather...
take from me... my lace
You in the moonlight
with your sleepy eyes
could you ever love a man like me
and you were right
when i walked into your house
i knew i'd never want to leave
sometimes i'm a strong man
sometimes cold and scared
and sometimes i cry
but that time i saw you
i knew with you to light my nights
somehow i'd get by
first time i saw you
i knew with you to light my nights
somehow i would get by
Lovers forever... face to face
my city or mountains
stay with me stay
i need you to love me

i need you today
give to me your leather...
take from me... my lace
Lovers forever... face to face
my city or mountains
stay with me stay
i need you to love me
i need you to stay
give to me your leather
take from me... my lace
take from me... my lace
take from me... my lace
