

# Gust of Wind

Pharrell Williams

My heart is filled, with love and care  
Not an ounce of gas, I would get up there  
The answer's simple  
You lift me up  
The view up here, I see all the stars  
There go Venus, and there go Mars  
Somethin' you been through  
You're from aboveHey, when I first saw you, I got excited  
Tried to keep my composure, tryna hide it  
But I didn't know  
I didn't let go  
Then it occurred to me while tryna fight it  
Just like a kite, you learn to ride it  
But I didn't know  
You're s'posed to let it goLike a gust of wind  
You hit me off sometimes  
Like a gust of wind  
You push me back every once in a while  
Like a gust of wind  
You remind me there's someone up thereWho whooshes in  
The air I need to power myselfWhen I open the window  
I wanna hug you  
'Cause you remind me of the air  
I said yeah  
'Cause when I'm feelin' real lowI remember I love you  
I put my hands in the air  
And you were there  
With your love, I can board the skies  
Finding a way that electrifies, mother's your other  
Cannot stow awayTelephone winds of the northern sky  
Is the closest thing, and here is why  
'Cause we're color  
You blow me awayI need you, like I'm breathing  
Music umbrellas can make one cover  
Who cares if they don't see you?Don't you know that they're the same?  
I need it like I'm breathing  
If you never discover, forever you'll suffer  
Who cares if they don't see you?You got until then to learn the way  
Like a gust of wind  
You hit me off sometimesLike a gust of wind  
You push me back every once in a while  
Like a gust of wind

You remind me there's someone up there  
Who whooshes in The air I need to power myself  
When I open the window  
I wanna hug you  
'Cause you remind me of the air  
I said yeah  
'Cause when I'm feelin' real low  
I remember I love you  
I put my hands in the air  
And you were there  
When I first saw you, I got excited  
Tried to keep my composure, tryna hide it  
But I didn't know  
I didn't let go  
Then I realized I'm tryna fight it  
Just so they can learn to ride it  
But I didn't know  
I had to let it go  
Like a gust of wind  
You hit me off sometimes  
Like a gust of wind  
You push me back every once in a while  
Like a gust of wind  
You remind me there's someone up there  
Who whooshes in  
The air I need to power myself  
When I open the window  
I wanna hug you  
'Cause you remind me of the air  
I said yeah  
'Cause when I'm feelin' real low  
I remember I love you  
I put my hands in the air  
And you were there
