

# New York, I Love You but You're Bringing Me Down

## LCD Soundsystem

New York, I Love You  
But you're bringing me downNew York, I Love You  
But you're bringing me downLike a rat in a cage  
Pulling minimum wageNew York, I Love You  
But you're bringing me downNew York, you're safer  
And you're wasting my timeOur records all show  
You are filthy but fineBut they shuttered your stores  
When you opened the doors  
To the cops who were bored  
Once they'd run out of crime  
New York, you're perfect  
Don't please don't change a thingYour mild billionaire mayor's  
Now convinced he's a kingSo the boring collect  
I mean all disrespectIn the neighborhood bars  
I'd once dreamt I would drinkNew York, I Love You  
But you're freaking me outThere's a ton of the twist  
But we're fresh out of shoutLike a death in the hall  
That you hear through your wallNew York, I Love You  
But you're freaking me out  
New York, I Love You  
But you're bringing me downNew York, I Love You  
But you're bringing me downLike a death of the heart  
Jesus, where do I start?But you're still the one pool  
Where I'd happily drownAnd oh. Take me off your mailing list  
For kids that think it still exists  
Yes, for those who think it still exists  
Maybe I'm wrong  
And maybe you're right  
Maybe I'm wrong  
And maybe you're right  
Maybe you're right  
Maybe I'm wrong  
And just maybe you're right  
And Oh.  
Maybe mother told you true  
And they're always be something there for you  
And you'll never be alone  
But maybe she's wrong  
And maybe I'm right  
And just maybe she's wrong

Maybe she's wrong  
And maybe I'm right  
And if so, is there?
