No Eyes (Bakermat Remix) [feat. Jaw]

Claptone

It's a lonely night

Everybody's happy

Been turning around

Looking for a friendly light

But I see nothing

No eyes, no eyes on meSo many maybes

So many ways

So many ladies

So many men

So many maybes

So many ways

So many ladies

So many men

(No eyes)It's a lonely night

Everybody's happy

Been turning around

Looking for a friendly light

But I see nothing

No eyes

No eyes, no eyes on me (no eyes on me...)No eyesSo many maybes

So many ways

So many ladies

So many men

So many maybes

So many ways

So many ladies

So many men

It's a lonely night

Everybody's happy

Been turning around

Looking for a friendly light

But I see nothing

No eyes, no eyes on me

No eyes on meNear meCan you see me lying?

Can you see why I contained

Can you feel me thinking?

Would you save me if I fail

I would love to love you

I would love to be your man

But the loneliness, please leave meNo eyes

No eyes (no eyes...)

No eyes

No eyes on meSo many maybes

So many ways

So many ladies

So many men

So many maybes

So many ways

So many ladies

So many menIt's a lonely night

Everybody's happy

Been turning around

Looking for a friendly light

But I see nothing

No eyes, no eyes on...
