Back, back on the set and coverin' all bets.

Back, back on the set and coverin' all bets.

Back, back on the set and coverin' all bets.

Back on the set and coverin' all bets.

Back, back on the set and coverin' all bets.

Back, back on the set and coverin' all bets.

Back, back on the set and coverin' all bets.

We came to drop bombs.

Callin' every man to arms,

And yo sound the alarm.

Smartbomb.

We came to drop bombs.

Callin' every man to arms,

And yo sound the alarm.
