

# Airbag

## Radiohead

In the next world war  
In a jackknifed juggernaut  
I am born again  
In the neon sign scrolling up and down  
I am born again  
In an interstellar burst  
I am back to save the universe  
In a deep, deep sleep of the innocent  
I am born again  
In a fast German car  
I'm amazed that I survived  
An airbag saved my life  
In an interstellar burst  
I am back to save the universe  
In an interstellar burst  
I am back to save the universe  
In an interstellar burst  
I am back to save the universe
