## **Bounce (feat. Kelis)**

## **Calvin Harris**

I can't believe that every day and every nightIt's gettin' better if you're out of my life It's like I flicked the switch and now I'm feeling good No way to stop it, now you wish that you could When the weekend comes, I know I feel alive You will be the last thing on my mind No regrets, do you know what that means? Well it's hot, it's loud, it's wildWe bounce to this track And I don't care what anybody thinks about that Hands to the sky, and throw your head back I can love again tonightWe bounce to this track And I don't care what anybody thinks about that Hands to the sky, and throw your head back Bounce, bounce, bounce Well it's hot, it's loud, it's wild We bounce to this track And I don't care what anybody thinks about that I don't care what anybody thinks about that Song Discussions is protected by U.S. Patent 9401941.
