## Via Invested

## **Damiera**

Let me in between The vestige astounding as we think The blast of carbon lasted It fills the air And shows me everything All not stopping at the end Where i deprived my stance to color in the past Filling toward the often askewed Correction/collections that will fall As we slip away The vested concerns are everything but true We'll slip away Call the answers everything but truth Balance to be ahead of the impulsive impatience Slowing yourself to live the shelf-life and antiquated Balance to be ahead of the impulsive impatience Slowing yourself to live the shelf-life and antiquated As we slip away The vested concerns are everything but true We'll slip away Call the answers everything but truth Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
