

# Double Rainbow

Katy Perry

You're a one-of-a-one, a one-of-a-kind  
That you only find once in a lifetime  
Made to fit like a fingerprint  
A code that clicks and opens the gold mine  
They say one man's trash is another man's treasure  
When I found you it was all pitter-patter  
Secretly, hit the lottery 'cause you're  
Brighter than all of the Northern lights  
You speak to me even in my dreams  
Wouldn't let you go for even the highest price  
They say one man's trash is another girl's treasure  
So if it's up to me I'm gonna keep you forever  
'Cause I understand you  
We see eye-to-eye  
Like a double rainbow in the sky  
And wherever you go, so will I  
'Cause a double rainbow is hard to find  
Was a phenomenon when you came along  
Yeah, our chemistry was more than science  
It was deafening, loud like lightning  
It was striking, you couldn't deny it  
They say one man's trash is another man's treasure  
The two of us together make everything glitter  
'Cause I understand you  
We see eye-to-eye  
Like a double rainbow in the sky  
And wherever you go, so will I  
'Cause a double rainbow is hard to find  
To the bottom of the sea I'd go to find you  
Climb the highest peak to be right beside you  
Every step I take I'm keeping you in mind  
'Cause I understand you  
We see eye-to-eye  
Like a double rainbow in the sky  
And wherever you go, so will I  
'Cause a double rainbow is hard to find  
It's hard to find  
Once in a lifetime  
Once in a lifetime
